

# 10ENG Course Overview

Welcome to Year 10 English!

The Year 10 English course is designed to be a fun and engaging stepping-stone to future English courses. As you explore several Whāinga (Topics) throughout the year, you will develop key literacy skills while unpacking and creating a range of different texts. At the end of each Whāinga, you will present your learning through common assessments, like Literature Tests or Hinonga (projects). You are encouraged to give all classroom tasks your best effort, as this will help expand your understanding of the world around you while allowing you to use creativity and fun in your learning.

## Summative Assessments:

All assessments are compulsory, and your teacher will lay out the expectations for each assessment.

- Writing Unit Assessment
- Literature Test 1
- Mini-Unfamiliar Text Test
- Literature Test 2
- End of Year Hinonga
- End of Year Examination (Unfamiliar Texts + Literature)

## Homework:

Your teacher may assign additional homework relating to the topics being taught at the time. This is mainly to consolidate ideas taught in class or as checkpoints for various assignments.

## Authenticity:

It is vital that you ensure all work that you submit for assessment is your own. Failure to do this will result in an automatic Not Achieved. Plagiarism – or submitting someone else’s work as your own – can occur in several ways, for instance:

Copying someone else’s work – this will also mean a Not Achieved for the student whose work you copied.

Copying from the internet without writing it in your own words.

Claiming a teacher’s notes as your own.

Using any form of AI.

Any of the above cannot be used in your planning, creation and/or production of your assessments.

Breaches of these rules, plagiarism or cheating will firstly be referred to the Head of Faculty for investigation.

### **Late Work:**

All assessments must be completed by the due date.

Only in exceptional circumstances will late work be accepted and only if an extension has been granted by your teacher.

- Discuss doubts about deadlines with your teacher **before** the work is due.

### **Effort and Organisation:**

Remember that effort and organisation are important for your success this year. To achieve your best possible results, here are some tips:

- Complete in-class tasks and homework tasks.
- Meet deadlines for tasks and assignments.
- Bring all necessary equipment to class.
- Have a well-organised, up-to-date exercise book/Digital Folder
- Attend class regularly and punctually.
- Ask for help when you need it.

### **English Department and School Assessment Expectations**

Assessments occur throughout the year and are used to identify your skills development, and/or a summary of the unit taught. Regular attendance is essential to ensure the continuity of your learning and progress.

If you and your parents have any queries about your progress, please refer to the teacher's contact details below.
