- All students study five subjects. There are no compulsory subjects.
- Most Level 3 subjects have prerequisites which must be met before the subject can be taken. You must meet the prerequisites or seek HOF/TIC approval, this is not negotiable.
- If aiming for tertiary study, students must take at least 4 University Entrance approved subjects which are listed in the Course Book. Students need to make sure they either have UE Literacy or will attain it in 2025.
- Students should check their preferred Tertiary Institutes for prerequisites as they are all different.
- Year 13 students may undertake a multilevel course with subjects at Level 1, Level 2 or Level 3 based on ability and meeting prerequisites.
